Product Change Notification: P-16-012491 | PCN Date: 06-JAN-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Additional Capacity

Description of Changes

TE Connectivity (TE) would like to inform you that a new assembly capacity is being added to better meet customer demands. There is no change to the product form, fit or function. This is only additional assembly capacity to produce additional product. Samples will be available in March 2016 for review trials and PPAP approval.

Reason for Changes:

Product improvement.Increased assembly capacity due to increased costomer demand.
