

Change Notice EB, MB, CS & MS Series

Changes to EB, MB2000, MB2400 & MB2500 Pushbuttons; CS & MS Nonilluminated & Illuminated Slides

Type of Change:

- Engineering Part Number
- Product Appearance

The location of production will change for EB and MB Pushbuttons, and CS and MS Slides from the China factory to the Philippines factory. The lot number on the side of the switch cases will have a dot mark above the second digit instead of the first digit. The box in which the switches are packed for shipping will now read "PHILIPPINES FACTORY" instead of "CHINA FACTORY." All of these modifications will apply to custom as well as standard products.

Changes for MB Pushbuttons & MS Slides, Among Other Series

Example: MB2011	Side of Switch Case	Shipping Box
Before Changes	<p>Lot Number with Dot Mark</p>	<p>"CHINA FACTORY" printed on side of box</p>
After Changes	<p>Lot Number with Dot Mark</p>	<p>"PHILIPPINES FACTORY" printed on side of box</p>

Notes

There are no changes to the switches' dimensions or specifications.
 The location of the Lot Number may vary depending on the part number.
 Contact the factory if more details are needed.

Effective Date

Changes to EB, MB2000, MB2400, MB2500, CS and MS will be effective May 2016.

Change Notice **EB, MB, CS & MS Series**

Changes to EB, MB2000, MB2400 & MB2500, CS & MS Slides (Nonilluminated) with UL Approval

Type of Change:

- Engineering Part Number
 Product Appearance

EB and MB Pushbuttons and MS Nonilluminated Slides with UL approval will have a change on the side of the switch case to include both standard and custom devices. Previously, the UL symbol appeared on the case with the UL factory code 078. After the change, the UL factory code 080 will instead appear next to the symbol. The table below illustrates the modification.
