

Product Change Notice: LK-P and & LK-T Series Relays

PCN.PG0006.01.18.2019

01.18.2019

About This Notice:

Panasonic would like to inform that LK-P and LK-T Series Relay products will be changed to updated specifications. Specifications will change due to the discontinuation of registration in the "SEMKO" safety standard. The product body marking of the same will be removed.

Effective Date:

March 1, 2019 (From March 2019 production onward)

Change Details:

Change of specifications due to discontinuance of registration in "SEMKO" safety standard and change of product body marking in accordance with discontinuance of registration.

■ LK-P relays (Marking example)

Before change	After change
 <p>With SEMKO marking</p>	 <p>Without SEMKO marking</p>

* "SEMKO" safety standard no longer applicable to LK-P relays.

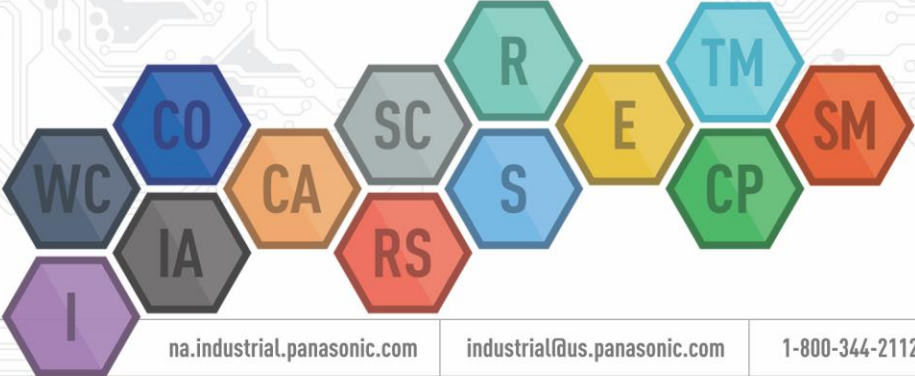

■ LK-T relays (Marking example)

Before change	After change
 <p>With SEMKO marking</p>	 <p>Without SEMKO marking</p>

* "SEMKO" safety standard no longer applicable to LK-T relays.
