PRODUCT TERMINATION NOTIFICATION

PTN: PTN183805

Date: September 18, 2018

Subject: October 2018 Product Obsolescence Notification

To:

Product Obsolescence Information:

Cypress announces the obsolescence of select products from its portfolio resulting from an internal review and business decision to discontinue support. The affected part numbers are listed in the attached list. Last Time Buy (LTB) and Last Time Ship (LTS) dates are provided for each product. The LTB date denotes the last day on which orders will be accepted; these orders may be scheduled for shipment through the LTS date provided. In the case of an immediate shutdown, there will be no last time buy and file will indicate "None"; however, a last time ship will still be provided to take care of any remaining backlog that Cypress has committed to ship.

Part Numbers Affected: 1180

Please see the attached file for a list of part numbers, Last Time Buy Dates and Last Time Ship Dates. See notes in last column of attached file:

Note 1: if affected part has note 1 in attached, it is an immediate shutdown for order entry due to an engineering problem as noted in PEN182201A in Q2 2018.

Note 2: if affected part has note 2 in attached, it is a tool kit that has been shutdown with immediate replacement as listed in "Drop In Replacement" column.

Approximate Implementation Date:

This change is effective with this notification. See attached listing for specified Last Time Buy and Last Time Ship dates by device.

Response Required:

No response required.
